The Taste of Summer

Author's Notes:

I hope you enjoy this little drabble and its imagery! Merry ficmas!

It's raining harder now and Stone shivers despite the summer heat that the thunderstorm hasn't yet washed away.

He's drenched and breathless. His jaws ache and his knees hurt but it's always worth it.

He glances up at a dripping wet Jerry and admires the sight. Long blond hair clinging to a flustered face.

Jerry's cum.
